A graphic of stylized green leaves in various shades of green, arranged in a fan-like pattern that curves from the bottom left towards the top right. The leaves are layered, with some overlapping others, creating a sense of depth and movement.

CAERAN

Natural Products
Since 1989

Whether you are among the thousands with skin conditions or chemical allergies, or if you have joined the effort to adopt and promote an eco-friendly and sustainable lifestyle, CAERAN gives you the support and products you're looking for.

CAERAN is an Ontario based and manufactured brand, providing families with environmentally conscious household cleaners, laundry liquids and personal care products.

Our goal is to help you find the reliable products you deserve, so you can live the natural lifestyle you want.

We provide superior quality earth-friendly choices, and fully disclose information on the ingredients we use and the action of those ingredients.

It's all about informed decisions.

From a few of our customers...

Kim M, Nov 2014

CAERAN Laundry Liquid is just what I was looking for many years ago, and I've been using it exclusively for about 25 years. It is unscented, gets clothing clean, and keeps the septic system healthy.

Daisy, Sep 2015

I have used other products, but I found by far that your Cream Cleanser is the best cleaner for ceramic oven tops, bathtubs, sinks, I will only use this product!! LOVE IT!!!!

Wanda, Feb 2016

WonderScrub is fantastic at removing old soap scum on glass shower doors. I've used it twice and the years of soap scum and hard water build-up are gone!! I have tried numerous commercial products and nothing even comes close. Excellent product.
